

Annunciation of the Blessed Virgin Mary Parish

Hello friends, and Merry Christmas!

I have a smattering of stuff for you today – first, a quick warning, then some encouragement and finally a word from John. The warning: some of you have experienced a common scammer tactic– impersonating me (and other public figures), asking for money, gift cards, etc. Don't be ashamed if you've gone down one of these rabbit holes – these guys are clever and skilled, fishing through Facebook likes, bulletins, website info, etc., to make a link between me and my people. I can't stop them from being clever or manipulative, but what I can do is promise that if I ever need something from you I'll ask personally and route it through the parish offices. Okay, moving on.

Second, thank you for walking through these last several weeks of Advent together – for joining in some extra time of quiet adoration, praying together the Unity Prayer, joining each other in waiting and watching and preparing a home for Jesus in your hearts. Now we are in another seasonal transition – moving from “waiting” into “receiving.” While the radio's Christmas music starts in November and fades away on December 26, our Christmas timeline starts on December 24, passes through the Epiphany, and continues until the Baptism of the Lord on January 11. Here's a gentle encouragement to let the next several weeks be different, just like you made the last month different. Take some extra time to rest in the Lord, to keep up a “Merry Christmas,” and to welcome the Lord into your Advent-prepared heart!

(continued from page 1) And now for a word from John Francis. Last weekend I mentioned that he had celebrated a milestone in his seminary formation – I asked him to share a quick life update with us for the bulletin. Here it is: *“Dear Parishioners, merry Christmas to you all! I have just finished up my first semester of theology studies at St. Francis de Sales Seminary. As Father mentioned, I was also just accepted as a candidate for Holy Orders for the Diocese of La Crosse- a big step towards ordination to the priesthood! In total, I have 3 ½ years left until I would be ordained, please God. This semester was challenging, but fruitful. I am taking more classes which are also more difficult. In addition, I have been assigned a “teaching parish” which I attend on many weekends and shadow the pastor. Because of distance, the parish is in the Archdiocese of Milwaukee, not the Diocese of La Crosse. I have been enjoying the ability to practice some ministry, and the parish reminds me a lot of St. Mary’s! This summer, I am going to the Casa Hogar Orphanage in Peru for two months with a fellow seminarian brother. There we will be learning Spanish and being a role model to the kids. I am a little nervous but very excited! In my free time, biking has slowed down but cross-country skiing has picked up thanks to the December snowfall!”* Keep praying for John and for his brothers in seminary formation. It’s a tough work, leaning into seminary in the way he is earnestly doing. Whether he becomes a priest or not (we’ll know in 3 ½ years), I am grateful for his “yes” and for the Holy Spirit’s work in his life.

God bless you all,

Fr. Joe

At 6 am on Monday, January 5th, we would like to invite all women of the parish to join us at the church to pray the Rosary together for the needs and intentions of our two parishes. Going forward, this will be a monthly occurrence on 1st Mondays, always at 6 am. If you have questions, please reach out to Jackie Redmer or Carly Zadow. God bless you!

A great big thank you to everyone who attended family adoration last Saturday and especially to the kids who stayed after to make ornaments for the Christmas tree in Marian Hall. They did a wonderful job! If you get a chance, stop down in Marian Hall and admire their handiwork!

A big heartfelt thank you to those who helped decorate the church for Christmas this year! Thank you for your willingness, patience and support! Thank you Scott and Jenny Leum, Michael and Frank Corr and Kyle and Vi Prorok - all your efforts are so appreciated!
